ONLINE COURSE - THEORETICAL

Friday, June 20, 2025

Schedule 14:00 - 20:00

Details:

- Each guest (speaker) will make a pre-recorded presentation, where they will be contacted by our IT staff to define the day and time that best suits them.
- A personal zoom link will be sent to you the day before the course starts, please do not share this link.
- If you wish to share the broadcast, the open link will be available at www.cxendo.cl free of charge.
- On Friday, June 20, your pre-recorded presentation will be presented.
- Ideally, each speaker should be able to connect for 10 minutes that day after the presentation to answer questions or comments from our students. The contact will be via WhatsApp.
- If you wish to connect to the entire online course, you are cordially invited to do so.
